Women and the Pandemic: Impact, Resilience and Moving Forward

#StatusOfWomen #MSMUWomen #UnstoppableWMN

The COVID-19 pandemic has been with us for a full year. What was once novel - wearing a facemask, socially distancing from others, and working from home - has become all too familiar. A year on, the effects are real: many families have tragically lost loved ones, people have lost jobs and struggle to stay in their homes, our health care system is stressed, families work and learn from their kitchen tables, and
