Staff Recommendation: Find that 1) the <u>Human Relations Commission</u> has reconsidered the circumstances of the state of emergency, and 2) state or local officials continue to impose or recommend measures to promote social distancing. This recommendation follows the 09/28/2021 County Board of Supervisors’ adoption of the Health Care Services Agency Director’s recommendation that the Board implement social distancing for its meetings. For the same reasons, the same rationale applies for the meetings of the <u>Human Relations Commission</u> and its committees.	Commissioners	Information/Action (6:55-7:00 PM)

NEXT HRC MEETING:

Regular Meeting: Wed. April 27, 2022, 6:30 PM

This is to provide an update and direction for continuing remote meetings while the Governor maintains a state of emergency due to the COVID-19 pandemic.

Background: On September 16, 2021, the governor signed AB361 (attached), which amends the Brown Act teleconference requirements provided certain findings are made by a legislative body. The Alameda County Board of Supervisors (BOS) took action at the September 28, 2021 meeting to continue social distancing at all meetings by the BOS and its committees, as recommended by the attached letter from the Alameda County Health Care Services Agency (HCSA). Per County Counsel, each of the Boards and Commissions created by the BOS should adopt a “resolution” or make similar findings to continue to conduct meetings remotely.

Section XI of HRC Bylaws – Committee Responsibilities

The staff and the members of each committee will attempt to develop expertise in their area of responsibility. They should develop knowledge of legislation, resources and programs, not only in Alameda County, but in other communities as well. They will serve as a resource to the overall Commission in their subject area. They will have a responsibility for appropriate data collection and for making recommendations in the area of legislation, program development and program implementation. The Commissioners on the committee, with the assistance of staff, have responsibility for all the programs and projects aimed at carrying out the Commission’s responsibilities and policies in their subject area.
